PRECAUTIONS

Do not dismantle, open or shred secondary cells or batteries.
Do not expose cells or batteries to heat or fire.
Avoid storage in direct sunlight.
In the event of a cell leaking, do not allow the liquid to come in contact with the skin or eyes. If contact has been made, wash the affected area with copious amounts of water and seek medical assistance immediately.
Secondary cells and batteries need to be charged before use.
Always store your power bank with at least a 50% charge in a cool and dry place to prolong the battery life. Storing while completely drained will reduce the capacity of the battery.

ROCKROSE

**OASIS 05 POWER BANK
USER MANUAL**

PRODUCT OVERVIEW

- 1 Power level button
- 2 Power indicator lights
- 3 Micro USB input port (2A)
- 4 Type-C input port (2A)

INSTRUCTIONS

Recharge Oasis 05

Charge your Oasis 05 power bank with a power adapter that supports DC 5V/2.1A output for a rapid charge. A blinking power indicator light indicates the power bank is recharging.

Charge Devices Using Oasis 05

Connect your Oasis 05 with a device using a suitable charger cable. The power indicator will show the current remaining power level during charging. This power bank can charge two devices simultaneously.

* Oasis 05 comes with a 30cm charge-only cable with Micro USB connector.
