PRECAUTIONS

Do not dismantle, open or shred secondary cells or batteries.
 Do not expose cells or batteries to heat or fire.
 Avoid storage in direct sunlight.
 In the event of a cell leaking, do not allow the liquid to come in contact with the skin or eyes. If contact has been made, wash the affected area with copious amounts of water and seek medical assistance immediately.
 Secondary cells and batteries need to be charged before use.
 Always store your power bank with at least a 50% charge in a cool and dry place to prolong the battery life. Storing while completely drained will reduce the capacity of the battery.

EDGE 10 POWER BANK
USER MANUAL

PRODUCT OVERVIEW

Congratulations on your purchase of the Edge 10 power bank! The Edge 10 is a durable, reliable and compatible travel companion. It can charge your phone, tablet, Kindle or other essential small devices and wearables like Bluetooth earbuds, smartwatch, and so on.

The Edge 10 comes with 2.1A fast charge and a multi-protection design, ensuring a fast and safe charge for every device.

WHAT'S IN THE BOX

- User manual x1
- Edge 10 x1
- 30cm charge-only cable with Micro USB connector x1

INSTRUCTIONS

Recharge Edge 10
 Charge your Edge 10 with a power adapter that supports DC 5V/2A output for a rapid charge. Either the Micro USB or USB Type-C port can be used for recharging. A blinking power indicator light indicates the power bank is being recharged.

Charge Devices Using Edge 10
 Connect your Edge 10 with a device using a suitable charger cable. The power indicator will show the current remaining battery level during charging.
